

Press Release

Diesel Loco Modernization Works, Patiala honored its COVID Warriors.

Diesel Loco Modernisation Works , a unit of Indian Railways today honored its 88 frontline workers including Doctors, health workers , RPF Staff and Staff/Officers of DMW as 'Corona warrior' in recognition of their meritorious service during turbulent times of the COVID-19 pandemic. While felicitating them, Shri S. N. Dubey, Principal Chief Administrative Officer, distributed certificate of appreciation to all of them.

Addressing the gathering, Sh Dubey acclaimed the DMW Employees for their indomitable spirit in facing the challenges posed by the pandemic. He praised all the COVID warriors including medical and Paramedical Staff, all other staff who supported health care service providers with all means and staff of Railway Protection Force for their outstanding devotion to duty and hard work during the tough times of the pandemic. He added that the medical infrastructure of DMW Railway Hospital has been strengthened to deal with any such situations in the future. Arrangement of separate wards is made and an Oxygen generation Plant has been installed in the DMW hospital. DMW is prepared to face any such situations in the future. He said that almost all employees of DMW have been fully vaccinated and at least one dose is already given to all eligible beneficiaries of DMW employees.

While concluding, Sh Dubey requested all DMW employees to keep the same spirit and follow all precautionary measures, wearing face masks, avoid crowding in public places and follow physical distancing especially in the upcoming festival season.
