Chief Plant Engineers/Chief Workshop Engineers,
RCF/MCF/ICF/BLW/CLW/RWF

Chief Workshop Managers,
All Zonal Railways

Sub: Surplus General Purpose Machines at PLW/PTA.

The following general purpose machines are available at PLW/PTA which can be immediately spared to any Indian Railways Units. All these machines are under aged and are in working Condition, but have become surplus in PLW due to phasing out of diesel locomotives. The list of Surplus M&P (19 Machines) is hereby attached and offered to Railways Workshops/PUs for exploring the requirement of these machines.

It is therefore requested to consider the requirement of these machines in your Organization and advise the same to PLW till 10/01/2023.
